Dear H. May:  
Your post received  
and no need to say  
I was ever so glad.  
The heat of a large dance  
tonight tempts me sorely  
but I think I'd better  
not try to get off today  
as it will be next to

impossible. You may expect me ~~the~~ surely,  
My onday on the 5.45  
and I will get off at  
East Swanton. I am  
mighty good to know  
I am to see you for a  
couple of days.

Hope you have a wonder-  
ful time at the dance this  
evening —

Thanking you and hoping  
to see you Monday I am  
Yours with deepest love,  
By love —
